**Holiday Help**

Holidays can be difficult for many of us in the SEPAC community. If you need a little help this holiday, help with toys, winter gear, food, etc... Please contact us at info@brooklinesepac.org - we will keep your family information private and find resources to help you out. (This email address is forwarded to Faith Dantowitz and Linda Monach - no one else sees these emails).

If you want to volunteer to help families in need, contact us and we'll let you know what you can do to support our community.

However you celebrate, we wish you a happy, warm, loving, drama free
