BY-LAW REVIEW

SUB-COMMITTEE NEEDED
We would like to set up a sub-committee to review our by-laws and make suggestions for any changes that should be made by end of year (thank you to those who have already chimed in). We'd like to have by-law changes drafted and ready for review by April, so if you're up for helping that would be great. Please email us ASAP at info@brooklinesepac.org if you are interested.
